Statement in Support of Updated Application to Proceed In Forma Pauperis
Case No. C25-1665-JCC
Plaintiffs: Andres A. Munt-Lovell and Nicholas P. Munt-Lovell
Defendants: The International Cat Association, et al.

Your Honor:

I submit this statement in support of my updated application to proceed in forma pauperis. The Court requested clarification regarding how our household incurs approximately $4,500 in monthly expenses despite reporting no income.

My spouse and I are both currently unemployed. We last earned income in 2020 and 2019 respectively. We have no savings and no cash reserves aside from a nominal amount (approximately $30). We receive food assistance from Washington State (SNAP) and utilize local food banks for groceries. To cover some of our essential expenses, we perform occasional odd jobs for small amounts of cash, but this is irregular and insufficient to meet our basic needs.

The bulk of the $4,500 in reported monthly expenses is our mortgage payment. We are presently unable to pay the mortgage and are in arrears. We also have significant outstanding utility bills — for example, we owe over $2,500 to Puget Sound Energy for electricity and natural gas — and continue to receive past-due notices. Our other monthly expenses include basic utilities, phone and internet, and transportation costs.

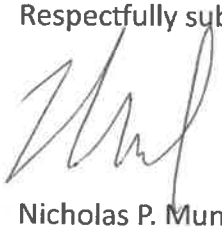
We are blocked from accessing home equity or obtaining loans due to inaccurate and harmful reporting on our credit reports by our mortgage servicer and the consumer reporting agencies. We have filed a separate action in the U.S. District Court for the Western District of Washington, Munt-Lovell v. RoundPoint Mortgage Servicing Corp., et al., Case No. 2:25-cv-01365-TL before Judge Tana Lin, to correct these credit reporting issues.

In addition, some of our claims in this case may be subject to statutes of limitation. We therefore must proceed without delay to preserve our rights and respectfully request the Court grant our application to proceed in forma pauperis so that we can timely pursue our claims.

Because of this situation, we are unable to pay court filing fees without sacrificing essential needs or further jeopardizing our housing and utilities.

I declare under penalty of perjury that the foregoing is true and correct.

Respectfully submitted,



Nicholas P. Munt-Lovell
